

TO: Park & Recreation Advisory Committee
FROM: Parks & Rec Director
DATE: March 13, 2023
SUBJECT: Egg Hunt Details

BACKGROUND INFORMATION:

This spring, recreation will be holding a community egg hunt on Saturday, April 8th at Harmon Park for ages 3-12. Youth hunt for eggs on an assigned ballfield based on their age. Activities (games and crafts) begin at 9:30am and the actual hunt starts at 10:00am sharp. Rain or shine event. Free and no registration required. There will be Golden Prize Eggs which, if found, can be turned in for a larger prize.

Following the large egg hunt, recreation is hosting their first ever Eggcessible Egg Hunt for youth with disabilities and their families. This event takes place at Harmon Park in the concrete ice rink space. Eggs of multiple sizes will be scattered throughout. Adaptations may include placing eggs on tables, on the ground, taping them to the wall, tying balloons to eggs, and more. This event is free but registration is required to participate to allow for a smaller crowd size. There will also be Golden Prize Eggs in the Eggcessible Egg Hunt.

- Ages 3-5 11:30-11:50 am – currently 9 registered
- Ages 6-9 12:00-12:20 pm – currently 8 registered
- Ages 10-16 12:30-12:50 pm – currently 3 registered

Age exception requests can be made by emailing recreation@wspmn.gov.

Our Volunteer Coordinator has been successful in obtaining volunteers to stuff eggs and help the day of the event. We can still take PRAC members from 8:45-10:45am to help with distributing eggs, craft table assistance, and running games. Additionally, there may be an opportunity to host a table to promote our Parks and Recreation Systems Plan and collect feedback. If you are interested, please reach out to Sam at smurphy@wspmn.gov.
